If the camper has any additional medical concerns please make us aware of them. This includes if the camper has a prescribed "epi-pen" for allergies. Staff members of SVSC are CPR/First-Aid certified.

Please send a complete clean change of clothes with your camper on the first day of camp; they will be given a "cubby" to keep personal items.

Due to allergy concerns we will not provide any food for the campers. Please send a nutritious lunch and snacks or money to purchase lunch from Stallion Market. We strongly recommend campers bring a refillable water bottle, they will have access to filtered tap water.
